Hill HB No. 1354

Abstract: Provides for licensure for any person selling, trading, or propagating certain non-indigenous or poisonous snakes or constrictors.

Present law requires any person buying or handling for resale or any person transporting any native reptile or amphibian is required to have a reptile and amphibian wholesale/retail dealer's license at a cost of \$105 for a resident and \$405 for a nonresident. Proposed law expands present law to require licensure of any person buying or handling for resale or propagation of any live species of poisonous snake or constrictor.

Proposed law defines constrictor to include Apodora papuana (Papuan python), Liasis olivacea, (Olive python), Morelia spilota (Carpet or Diamond python), Morelia kinghorni (Scrub python), Morelia amethystine (Amethystine python), Python natalensis (Southern African python), Python sebae (African Rock python), Python molurus (Indian or Burmese python), Python reticulatus (Reticulate python), any species of the genus Boa (Boa constrictors), and any species of the genus Eunectes (Anacondas), and venomous snakes to include the Families Viperidae (Pitvipers and Vipers), Elapidae (Cobras and Mambas),

Hydrophiidae (Sea Snakes), Atractaspididae (Mole Vipers), as well as the genera Dispholidus, Thelotornis, and Rhabdophis of the Family Colubridae.

Proposed law provides that constrictors in excess of 12 feet and venomous snakes may only be kept by permit from the Dept. of Wildlife and Fisheries. Excepts animal sanctuaries, zoos, aquariums, wildlife research centers, scientific organizations, and medical research facilities listed in the federal Animal Welfare Act.

Proposed law authorizes the Wildlife and Fisheries Commission to promulgate rules and provides that violations are class three violations punishable as follows:

1st offense	\$250 - \$500	or	imprisonment not more than 90 days, or both
2nd offense	\$500 - \$800	or	imprisonment between 60 and 90 days, and forfeiture
3rd +	\$750 - \$1000	&	imprisonment between 90 and 120 days, and forfeiture

Second or subsequent offenses may include revocation of the license for the remainder of the issuance period.

Present law requires that all funds received from the sale of reptile and amphibian licenses be placed in the Conservation Fund and used by the department exclusively for administering and enforcing the reptile and amphibian program or other such purposes as determined by the department. Proposed law removes the use restrictions.

Applicable to license years beginning Nov. 15, 2010, and thereafter.

(Amends R.S. 56:632(A), 632.5(A), and 632.7; Adds R.S. 56:632.5.1)
